OPALE

Accessible from the Azur building through a covered gallery, Opale opens into a vast Atrium (open area) and its cafeteria.

This building houses the laboratories and the exhibition hall (ground floor) but also the offices on its 1st, 2nd and 3rd floors (restricted area).

The underground of the Opale building houses two parking levels for the staff.

AZUR

In addition to being a visitor reception building, Azur is also a conference centre, hosting on its ground floor an auditorium, two amphitheatres, a vast reception area, a business centre and the concierge services. On its first floor, the Azur building houses meeting and training rooms.

IROISE

Also located in the open area, this building is dedicated to food services (company canteen and brewery).

ÉMERAUDE

Located in the access restricted area, the Emeraude building houses the experimental and testing facilities. It also houses laboratories, offices, archives and technical rooms.
