How to get to Espoo from Helsinki airport

VTT is situated in Espoo, Helsinki Metropolitan area, about 10 km west of Helsinki and about 25 km from the Helsinki airport.

To get to Espoo (VTT or hotel), the following **three options** are available:

Option	Duration	Price	Details
Taxi	about 25 minutes	around 45-50 €	
Airport yellow line taxi	about 35-40 minutes	around 29,50 €/person	This taxi takes several passengers to the desired address so it is a bit slower than the regular taxi. If you are several persons, the price of a normal taxi may be cheaper.
Regional train and metro	about 60-95 min, depending on the regional train schedule	5 € - regional ticket "Seutulippu" required, also valid in Metro for 1,5 h*	Regional train line P from Airport to Railway station in Helsinki, then metro M1 or M2 from Railway station to Aalto University (exit A at metro station) – see map below

* You can purchase your ticket from an HSL ticket machine. There are HSL ticket machines at the train station entrance in the corridor between the T1 and T2 terminals, in the baggage claim hall in T2 and at bus stops. In addition, you can buy tickets from the Alepa grocery stores, WH Smith kiosks (T1 and T2 Departures hall), R-kiosks (Arrivals hall 2A in T2) or the Tourist Info (Arrivals hall 2A in T2).

The image shows a screenshot of a transit application interface on the left and a corresponding map on the right. The interface displays a route starting at Helsinki Airport at 6:11 PM, passing through Lentoasema, Helsingin päärautatieasema, Rautatientorin metroasema, and Aalto University, ending at Teknologian tutkimuskeskus VTT Oy at 7:05 PM. The map highlights this route in blue, showing the path from the airport through the city center to the VTT campus in Espoo.
