

EU-ToxRisk
Final General Assembly
&
RISK-HUNT3R F2F kick-off

10-13 October 2021
Hotel Zuiderduin
Egmond aan Zee, The Netherlands

Sanitary conditions of the meeting in the context of Covid-19

The Project Office has taken several measures to ensure that participants to the Eu-ToxRisk Final General Assembly/ RISK-HUNT3R kick-off meeting (11-12-13 October 2021, Egmond aan Zee) are effectively protected against Covid-19.

The following measures will apply in Hotel Zuiderduin, Egmond aan Zee where the meeting will take place:

- Presentation of a valid Covid-19 pass is checked by the organisation of EU-ToxRisk at registration (if you are not vaccinated, your pass is valid for 24 hours).
- In the hotel, the social distancing rule (1,5 m distance) is maintained (even if this is not an obligation anymore in the Netherlands)
- Reduced room capacity to 50% in comparison to normal capacity to meet the above requirements of the 1,5 m distancing rule
- Groups shall stay together and remain seated in the hotel (no standing buffet, no split of the groups for social events)
- hydro-alcoholic gel available throughout the hotel
- Aeration of the main meeting room (Lamoraalzaal) and breakout rooms (530/531) during Coffee and lunch breaks
- No obligation to wear face masks in the Netherlands (expect in taxi and public transport)
- No obligation to wear face in the Hotel Zuiderduin, Egmond aan Zee
- For more information, you are invited to check: [Coronavirus measures in brief | Coronavirus COVID-19 | Government.nl](#)
